

FIVE WAYS MODERN GRAVE ROBBERS HURT YOUR FAMILY
Thursday, April 26th, 2018

Why, when a loved one dies, are so many families forced to waste time and money suffering in conflict or court? **DO NOT** leave contention as your legacy. Proper preparation is simple and convenient.

Suze Orman, Dave Ramsey, and everyone who has dealt with the death of a family member say that **Trusts and Wills are critical.**

Thousands have attended this class. It is entertaining and very informative. It may be one of the most important things you do for your family. **IT IS FREE.** Guaranteed: you will be glad you came.

RESERVE YOUR SEAT. Two class times available (see below). Call or email your RSVP – **(501) 205-4904** or **class@rippyfirm.com**. Please include the NAMES of those attending *and* the TIME of the class you will attend.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chris Rippy', is written over a circular blue stamp.
